

HIGH SPEED IN YOUR HANDS

Everyone wants to disconnect- but no one likes to feel disconnected. Whether it's browsing the web, checking in with friends and family back home, or streaming your favorite shows, music, and movies directly to your device, you can do this with our VOOM Surf + Stream Voyage package. You'll also get to share the adventure in real time on social media and video calls. Packages are available for up to four devices.

24 hour access

Browse the web

Send and receive emails

Chat on messenger apps (ex: Whatsapp)

Video chat live

Stream music, videos, movies, TV shows and more

Live stream and post on social media

All VOOM Surf and VOOM Surf + Stream Voyage Packages are available at Perfect Day at CocoCay.

Offers provide discount from onboard prices unless otherwise stated. Offers apply to new pre-cruise purchases only. Offer not available onboard. Price is per day per device and must be purchased for the duration of your cruise. Offer is only valid pre-cruise on this specific sailing, and is not combinable with Crown & Anchor discounts or any other offer or promotion. Prices and Offer apply to new internet purchases only. VAT will be added to the price where applicable. Due to the nature of satellite communications at sea, there may be fluctuations in the signal from time to time or no signal connection due to weather, ship position, radio wave interference or other conditions. Offer is subject to availability and changes without notice and may be withdrawn at any time. Royal Caribbean International reserves the right to correct any errors, inaccuracies or omissions. 19068257
